

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

15 AUG 1977

Deputy for National Intelligence

MEMORANDUM FOR: Mr. Cord Meyer, Jr.  
SA/DDCI

FROM: Richard Lehman  
Acting Deputy to the DCI for National  
Intelligence

SUBJECT: Status Report on PRM 30 - Terrorism

I note in reading the draft of PRM 30 that on page 7 and on revised page A-3 a subcommittee of the CCPC is given responsibility for supporting the establishment of a community production program on international terrorism. I would strongly urge that this provision be deleted. If a production program is needed, it might well fall under the supervision or monitoring of an NFIB subcommittee but the committee on collection hardly seems the place for production matters. If you think it advisable, I would not object to this being discussed at NFIB but I believe that it can be more simply solved by deleting the referenced sentences.
